

**With Honor & Gratitude  
We Remember**

The 2019 MO WOW Touring/Photo Contest commemorates the 80<sup>th</sup> Anniversary of the start of World War II on September 1, 1939, when German Nazis attacked Poland. The United States entered the war in response to Japan's attack on Pearl Harbor on December 7, 1941.

Enjoy riding to/through these 58 counties while collecting photographs of selected military monuments. Try to get you and/or your motorcycle in the photo. While an attempt has been made to provide navigational hints, MO WOW is not responsible for the accuracy of the "approximate address" or typos.

For GPS coordinates, maps, and nearby points of interest for many of these destinations, go to <https://www.hmdb.org/results.asp?State=Missouri>.

The contest begins immediately and ends December 31st. Send your photos to Deana Foster at [foster.deana5@gmail.com](mailto:foster.deana5@gmail.com) or by mail to 566 Farm Road 2070, Purdy, MO 65734
